# Thank you

**Cork Tree, Indian Cork** "Pip flowers" is a symbol of Thai nurses since 1991 because "Pip flowers" are fragrant white flowers. The tree is a perennial plant. It grows in dry land. Roots, stems and flowers can be used as herbs. Compared to a nurse in a uniform White who is ready to do good deeds like the scent of peonies and ready to create benefits as well as being the herb of " Dok Pip "
